The Ceremony

We know that many couples have a ceremony venue in mind, perhaps a religious space, an intimate ceremony at the Registry Office or a space where you first met. Wherever you choose to say your vows, we will be ready to welcome you to celebrate your nuptials – medieval style!

A short stroll through the picturesque streets of York from the Registry Office, our couples get the opportunity to have a private moment whilst getting those all important photos. Walk hand in hand through the gorgeous Museum Gardens, past the Minster or even on the historic City Walls. As a city centre venue, you're truly spoilt for choice!

Although we do not host ceremonies, we work closely with nearby venues such as York Mansion House, directly opposite The Guildhall which is the perfect Georgian setting for an elegant ceremony. We can ensure a smooth running transition to keep your guests dazzled until your arrival.
